

dcypher 2020

A note to parents/guardians from the DCYPHER team...

Hi, and thanks for encouraging your child to join us for this year's DCYPHER camp! This year's camp boasts online gaming sessions, epic challenges and time out to chat about some of life's issues from a Christian perspective. Leaders will be running all the activities so you can relax and let us occupy them.

With each camper using their own computer and connecting through the net, there are many potential technical issues. Not only does our leadership team have years of experience working with young people, but we also have much experience in diagnosing and solving computer problems. So we're all in good hands!

Date: 10am on Mon 6th July - 9pm on Fri 10th July

Venue: DCYPHER Discord Server (Online)

Cost: \$10

Register online at dcypher.org.au

Need to have

- Your own computer
- Internet connection
- Good attitude
- A free Discord account
- A free Steam account

Our days will commence at 10am and conclude at 9pm, with the server locking them out at 10pm so they can be in bed for their good night's rest! There will also be two hour long lunch and dinner breaks at 12pm and 6pm respectively, where there will not be any activities running. (You'll have to provide the meals; despite being a "camp", we can't email food to you!)

We recommend downloading the games ahead of time to save time and get right into the action when camp starts. You can find the list of links in the FAQ section of the website. (Please note there is no guarantee we will play *all* of these games, they're just the ones we're likely to play.)

There is also an extensive FAQ section on the DCYPHER website: dcypher.org.au
